

Babybash, Tha chop

This ain't nothing new to me
look at what can't do to me
me to tell, try to stop
didn't dirt with it now
got to buy the chop
i'm with my momma with a ten and a half pounds
no DL's and an innocent amount of rounds
with my mind on my mention
im smashing about the town
you thought i was a howl
well wait 'til i clown now
????

serving 3 for the fifty
and i wish you motherfuckers
would try to get with me
cuz i nifty with the milly
when the torch is on
and play every play
like its 4th to long
and when the horse is gone
i beat the shit out of the pig
it don't take much to split a fools wit
see im only one shot from making the head lines
so quick ??? and deadlines
shaking the fair time
there checking my bar code
ATF, INS, and the US marshal
