Babyface, Baby's Mama

New American How ya love dat' Off the hizzle frashizzle dizzle Get it to me Baby fizzle

check it check it check it

Girl you got your busines in the street Claimin' that your shit is weak Been six months since you've been gone How come you ain't called When you don't feel love no more You got no right to close the door You loved her once And she's got proof Baby boy thats just like you

Yo' get her love and much respect Even if shes got man You, Player you must understand That's you baby's momma Don't be late payin' your bills It takes two to make a kid When the hell you gon' understand That's you baby's momma

Tell the baby goodbye (baby goodbye) 'Cause you don't wanna be by (wanna be by) The way you acting....fly (they way you acting....fly) Girl you know you livin' a lie (livin' a lie)

I heard you got a chick on the side I hope you got it right this time Heard she got inside your mind Hatin' on your family ties She's got no right to dog her out That is the mother of your child You loved her once and that's the truth Baby boy thats just like you

Yo' get her love and much respect Even if shes got man You, player you must understand That's you baby's momma Don't be late payin' your bills It takes two to make a kid When the hell you gon' understand That's you baby's momma

You say you don't love her You push her and you shove her That's your first son's mother Word to mother If it's that bad Then go and get another She kicked ya to the curb and now you're livin' in the gutta St-st-stutter N-Nigga what up? That child support Is tearin' you butt up Nut up, cut up And act a fool Raisin' hell at the daycare school They threw you in jail For not payin' you dues You couldn't even buy yo son dem new coby shoes Alotta fools say they do but they don't I know you're mad You got to hate boo Gon' wait it through Let's see what he gon' do He might, better yet better The court wrote a letter To be real with you You gotta kid with you So one to one Man to man He got to deal with you

How you gonna act when you shit grown When you don't even claim your own How can you even sleep When you know you're wrong Wake up wake up wake up wake up How you gonna act when you family's gone 'Cause they tired of the shit you do (all the shit you do) How you gonna feel when you can't go home 'Cause there ain't nobody there for you

Yo' get her love and much respect Even if shes got man You, player you must understand That's you baby's momma Don't be late payin' your bills It takes two to make a kid When the hell you gon' understand That's you baby's momma
