

Babyface, Bedtime

Written by babyface (1997)

Performed by usher

Craving your body all through the night
Feels like I'm going through withdrawals
I wanna hold you
I want you inside of these of these arms
I'm dying to taste you, I can't deny
Can't get out of my mind
Please let me hold you
'cause I need your lovin' tonight

Whenever I'm near you
My love just comes down
Whenever I see you
I just want you around
'cause I wanna feel you
All through the day and the night
Whenever I'm near you
It feels like bedtime

Constantly thinking of things to do

Places where we can make love
I wanna freak you
I'll freak you wherever you want
Placing my kisses all over you
Caressing you so nice and slow
Oh how, I want you
Girl there's something I want you to know

Hook

Do you get lonely (ooh I get lonely)
Thinking about you me (thinking about you)
Am I the only (girl I dream of or think of at all)
Are you into me
Outta your mind for me
Say you can't go a day without me

Girl I love you
And I want you
And I need you, I need you, I need you

Hook 2 times
