## Babyface, Bedtime

Written by babyface (1997) Performed by usher

Craving your body all through the night Feels like I'm going through withdrawls I wanna hold you I want you inside of these of these arms I'm dying to taste you, I can't deny Can't get out of my mind Please let me hold you 'cause I need your lovin' tonight

Whenever I'm near you
My love just comes down
Whenever I see you
I just want you around
'cause I wanna feel you
All through the day and the night
Whenever I'm near you
It feels like bedtime

Constantly thinking of things to do

Places where we can make love I wanna freak you I'll freak you wherever you want Placing my kisses all over you Caressing you so nice and slow Oh how, I want you Girl there's something I want you to know

## Hook

Do you get lonely (ooh I get lonely)
Thinking about you me (thinking about you)
Am I the only (girl I dream of or think of at all)
Are you into me
Outta your mind for me
Say you can't go a day without me

Girl I love you And I want you And I need you, I need you, I need you

Hook 2 times
