Verse 1

Never lost that feeling

Once I got that feeling for you

I knew

That there was something special

You had a certain spark about you

It's true

B-section 1

I cannot be more sincere

Boy, whenever you are near

I just lose my mind

I get weak inside

Swear I can't do anything and I

Chorus

I can't help myself

I'm in love with you and nobody else

It's real as hell

And I can't deny it's how I feel

Verse 2

Never did stop falling (Falling)

Once you started calling for me

Fell deep (Fell deep)

Living in denial (denial)

Couldn't see what you saw in me (You saw in me)

Ooh, baby, baby, now I

B-section 2

I can see it all so clear

I have nothing left to fear

With you by my side

Ain't no need to hide

I can tell you anything

Chorus

I can't help myself (Whoa, oh, whoa, ooh)

I'm in love with you and nobody else

It's real as hell (yeah)

And I can't deny it's how I feel

Interlude

Feel, feel, feel

I (I can't help myself)

Can't help (I can't help myself)

Myself

Oh, ooh, baby, baby, now I

B-section 2

I can see it all so clear (All so clear)

I have nothing left to fear (Fear)

With you by my side (Oh no, no)

Ain't no need to hide (Oh)

I can tell you anything

Chorus

(I can't help)

I can't help myself

(Whoa, oh, whoa)

I'm in love with you and nobody else

(Whoa, oh, whoa)

It's real (it's real)

As hell (oh) oh

And I can't deny it's how I feel

(I can't help, can't help)

Help myself (Myself)

I can't help

I'm in love with you and nobody else
(I can't help, it's real)
Oh
(Help myself, as hell)
I can't help myself
(And I can't deny it's how I feel)
Uh, uh, uh
I can't help(Can't help)
Help myself(Myself)
I can't help
I'm in love with you and nobody else
(I can't help)
It's real as hell, oh
And I can't deny it's how I feel
(I can't help, can't help)
Can't help myself
(Myself)I can't help myself
I can't help myself
