## Babyface, Change The World (with Eric Clapton,

Babyface Miscellaneous Change The World (with Eric Clapton, live) by Tommy Sims, Gordon Kenney and Wayne Kirkpatrick

If I can reach the stars, Pull one down for you, Shine it on my heart So you could see the truth: That this love I have inside Is everything it seems. But for now I find It's only in my dreams.

And I can change the world, I will be the sunlight in your universe. You would think my love was really something good, Baby if I could change the world.

And if I could be king, Even for a day, I'd take you as my queen; I'd have it no other way. And our love would rule This kingdom we had made. Till then I'd be a fool, Wishing for the day...

That I can change the world, I would be the sunlight in your universe. You would think my love was really something good, Baby if I could change the world. Baby if I could change the world.

I could change the world,
I would be the sunlight in your universe.
You would think my love was really something good,
Baby if I could change the world.
Baby if I could change the world.
Baby if I could change the world.
