

# Babyface, End Of The Road (Live on MTV Unplugged)

We belong together  
And you know that I'm right  
Why do you play with my heart?  
Why do you play with my mind?  
Said we'd be together  
You said it'd never die  
So how can you love me and leave me  
And never say goodbye?  
When I can't sleep at night without holding you tight  
Girl, each time I try I just break down and cry  
Pain in my head, oh, I'd rather be dead  
Spinnin' around and around  
Although we've come to the end of the road  
Still I can't let go  
It's unnatural, you belong to me  
I belong to you  
Come to the end of the road  
Still I can't let go  
It's unnatural, you belong to me  
I belong to you  
Come to the end of the road  
Still I can't let go  
It's unnatural, you belong to me  
I belong to you  
Come to the end of the road  
Still I can't let go  
It's unnatural, you belong to me  
I belong to you  
Come to the end of the road  
Still I can't let go  
It's unnatural, you belong to me  
I belong to you
