## Babyface, End Of The Road (Live on MTV Unplug

We belong together And you know that I'm right Why do you play with my heart? Why do you play with my mind? Said we'd be together You said it'd never die So how can you love me and leave me And never say goodbye? When I can't sleep at night without holding you tight Girl, each time I try I just break down and cry Pain in my head, oh, I'd rather be dead Spinnin' around and around Although we've come to the end of the road Still I can't let go It's unnatural, you belong to me I belong to you Come to the end of the road Still I can't let go It's unnatural, you belong to me I belong to you Come to the end of the road Still I can't let go It's unnatural, you belong to me I belong to you Come to the end of the road Still I can't let go It's unnatural, you belong to me I belong to you Come to the end of the road Still I can't let go It's unnatural, you belong to me I belong to you
