To believe  
Or not to believe  
That is the question  
It just takes a street degree  
You've lied your last lie  
And I've cried my last cry  
I'm out the door, babe  
There's other fish in the sea

Girl, make a list  
Go out and find yourself a new bad thing  
Girl, you need a trip  
'cause he's not worth the misery and pain  
Just remember how he would tell you lies  
And then pretend that everything is so sweet  
Why should you sacrifice  
If you're not satisfied  
He's just a canine runnin' 'round in heat

Girlfriend  
How could you let him treat you so bad, oh  
Girlfriend  
You know you were the best he ever had, oh, oh, oh  
Girlfriend  
How could you let him treat you so bad, oh  
Girlfriend  
You know you were the best he ever had, oh, oh, oh

Girl, you must resist  
Don't let him squirm his way into your heart  
No, girl, I must insist  
You've got to stop the fool before he starts  
Just remember how he was so untrue  
With all the tacky things he did to you  
No need to signify  
'cause he's not worth your time  
You need to find someone that's true to you

Girlfriend  
How could you let him treat you so bad, oh  
Girlfriend  
You know you were the best he ever had, oh, oh, oh  
Girlfriend  
How could you let him treat you so bad (baby don't be sad, no)  
Girlfriend  
You know you were the best he ever had, oh, oh, oh

To believe
