

Babyface, How Can I Not Love You

Written by George Fenton, Babyface, Robert Kraft (1999)

Performed by Joy Enriquez

Can not touch
Can not hold
Can not be together
Can not love
Can not kiss
Can not have each other

Must be strong, and we must let go
Can not say what our hearts must know

How can I not love you
What do I tell my heart
When do I not want you
Here in my arms
How does one waltz away

From all the memories
How do I not miss you
When you are gone

Can not dream
Can not share
Sweet and tender moments
Can not feel
How we feel
Must pretend it's over

Must be brave, and we must go on
Must not say, what we've known all along

Hook

Must be brave, and we must be strong
Can not say, what we've known all along
