

# Babyface, How Often

Written by walter afanasieff, robin thicke, babyface (1999)

I bet I know your day  
Bet you left for work 'bout ten minutes late  
You didn't even wear the dress I bought  
Didn't eat at our favorite spot baby  
You found a new place uum  
So I'm sittin' here at the same time  
Pickin' up the pieces you left behind  
Oh now God know that I miss your face  
Can't help but wonder what it takes baby  
To get back in your life girl

How often do you think of me  
How often do I enter your mind girl  
Is there ever a time  
How often do you cry for me  
I cry for you like all the time  
And I wonder if I ever cross your mind

Your mind, your mind

Girl what we had was so strong  
That's why it lasted so long yeah  
You couldn't find yourself a better man  
That's why I just don't understand dear  
Why you're not here girl

I've got to get back to you  
The reasons are so clear  
I know that I can't live without you  
Now that you're not here  
I'm savin' everything I got  
I'm holdin' on to you  
We were wrong to let things go  
I need to know you still love me
