

# Babyface, Last Night

Written by babyface, keith andes (1996)

Performed by az yet

Last night, you were so into it  
You told me secrets that  
You never told a soul  
You were so nervous and  
Yet oh so comfortable  
As we explored your image of love

I drank your wine as you taste mine  
I kissed your lips you felt my body slip  
Into your soul  
I almost cried 'cause it was so beautiful

Last night I was inside of you  
Last night while making love to you  
I saw the sun, the moon, the mountains and the rivers  
I saw heaven when I made sweet love to you

Last night there was no believing it  
It was so special  
And so very innocent

We talked of memories  
Our favorite fantasies  
As we explored our visions of love

Deep in the night  
Right by the fireside  
You felt my candlelight in your soul  
You felt incredible  
I started to explode  
I almost cried 'cause it was so beautiful

Hook

Sunlight, red roses  
The scent of you it calms the heart  
The sight of you I fall apart  
Moonlight, the things we noticed  
Oh we're in love  
That's when it comes  
And I'm so, I'm so in love
