

Babyface, Last Night

Written by babyface, keith andes (1996)

Last night, you were so into it
You told me secrets that
You never told a soul
You were so nervous and
Yet oh so comfortable
As we explored your image of love

I drank your wine as you taste mine
I kissed your lips you felt my body slip
Into your soul
I almost cried 'cause it was so beautiful

Last night I was inside of you
Last night while making love to you
I saw the sun, the moon, the mountains and the rivers
I saw heaven when I made sweet love to you

Last night there was no believing it
It was so special
And so very innocent

We talked of memories
Our favorite fantasies
As we explored our visions of love

Deep in the night
Right by the fireside
You felt my candlelight in your soul
You felt incredible
I started to explode
I almost cried 'cause it was so beautiful

Hook

Sunlight, red roses
The scent of you it calms the heart
The sight of you I fall apart
Moonlight, the things we noticed
Oh we're in love
That's when it comes
And I'm so, I'm so in love
