

# Babyface, Longer

Longer than there've been fishes in the ocean  
Higher than any bird ever flew  
Longer than there've been stars up in the heavens  
I've been in love with you

Stronger than any mountain cathedral  
Truer than any tree ever grew (tree ever grew)  
Deeper than any forest primeval  
I am in love with you

I'll bring fire in the winters  
You'll send showers in the springs  
We'll fly through the falls and summers  
With love on our wings

Through the years as the fire starts to mellow  
Blurring lines in the book of our lives (book of our lives)  
Though the binding cracks and the pages start to yellow  
I'll be in love with you

Longer than there've been fishes in the ocean  
Higher than any bird ever flew (bird ever flew)  
Longer than there've been stars up in the heavens  
I am in love with you, oh  
I am in love with you, oh  
I am in love with you...
