

# Babyface, Love Shoulda Brought You Home

Written by babyface, daryl simmons, bo watson (1992)

Performed by toni braxton

Should I even listen  
Should I even try  
Will I just be hearing the same old lines  
See it doesn't matter  
What you say this time  
'cause our whole relationship  
Is built on one lie

You say things aren't the way they seem  
But still you can't come straight with me  
How can you think that you're in love  
When you don't know the meaning of

Love shoulda brought you  
Brought you  
Home last night  
You shoulda been with me  
Shoulda been right by my side  
If you cared anything for me  
Then love woulda brought you  
To me last night

Gotta hand it to you  
You had me there for a while  
I was so in love with you  
I couldn't see past your smile  
Now I smell the coffee

Boy, I got a wake up call  
And it left the message  
That you just don't care at all

You can't expect me to  
Believe that she doesn't mean anything  
You say that you love only me  
Your kinda lovin' my darling  
I just don't need

Then you woulda been sincere  
And I wouldn't be in tears  
And love woulda brought you  
To me last night

Oh baby why  
Why do men think that love's just for the moment  
Not over time  
Please tell me why  
Why should I think that  
You're gonna be sincere  
Are you deservin'  
Don't blame me if  
I just don't believe  
I just don't believe  
That you'll always be here
