

# Babyface, Love Song

Love Song

written by Babyface, James Harris III and Terry Lewis

If I close my eyes  
Im afraid that I  
Wont make it through the night  
Cause I  
Never been this much  
In love

When I lay with you  
Girl I cant believe  
That youre really here with me  
Cause dreams  
Never do come true  
With me, yes

How can I get down  
With someone like you  
Whats it all about  
What I did I do  
To deserve your love yes  
Im not sure what it was  
But Im so glad you  
Giving me your love

And I ,  
I cant stop loving you, baby  
(Baby, baby)  
Ooo  
(Baby)  
I cant stop the wanting you, baby  
(Baby, baby)  
Ooo  
(Baby)  
Baby youre the one  
(Youre the one)  
That Ill always love  
(That I love)

If I ask myself  
How I truly feel  
There aint nobody else  
Cant lie  
Youre the apple of  
my eye  
Ooo

Its not everyday  
That a man like me  
Can find a girl like you  
But I  
Made a wish  
And it came true  
Oh yes, yes I did

How can I get down  
With someone like you  
Whats it all about  
What I did I do  
To deserve your love, baby  
Im not sure what it was  
But Im so glad you  
Giving me your love

And I,  
I cant stop loving you, baby  
(Baby, baby)  
Baby  
(Baby)  
I cant stop the wanting you, baby  
(Baby, baby, baby)  
Baby youre the one  
(Youre the one)  
That Ill always love  
(That I love)  
Ooo  
Yeah, yo, yo, yo  
Yeah

#### Interlude

How can I get down  
With someone like you  
Whats it all about  
What I did I do  
To deserve your love  
Im not sure what it was  
But Im so glad you  
Giving me your love

And I,  
I cant stop loving you, baby-baby  
(Baby)  
Ooo  
(Baby, baby)  
Ooo  
I cant stop wanting you, wanting you, baby  
(Baby, baby, baby)
