

Babyface, Nobody Knows

Yeah
Wish I told her how I feel
Maybe she'd be here right now
But instead

I pretend that I'm glad you went away
These four walls close in more everyday
And I'm dying inside
And nobody knows it but me

Like a clown I put on a show
The pain is real even if nobody knows
Now I'm cryin' inside
And nobody knows it but me

Why didn't I say
The things I needed to say
How could I let my angel get away
Now my world is just a-tumblin' down
I can see it so clearly
But you're nowhere around

The nights are lonely
The days are so sad
And I just keep thinkin' about
The love that we had
And I'm missin' you
And nobody knows it but me

I carry a smile when I'm broken in two
Now I'm nobody without someone like you
I'm tremblin' inside, and nobody knows it but me
I lie awake, its a quarter past three
I'm screamin' at night
As if I thought you'd hear me
Yeah my heart is callin' you
And nobody knows it but me

How blue can I get
You could ask my heart
But like a jigsaw puzzle its been torn all apart
A million words couldn't say just how I feel
A million years from now you know I'll be lovin' you still

The nights are lonely [nights are lonely]
The days are so sad [oh so sad]
And I just keep thinkin' about
The love that we had
And I'm missin' you
And nobody knows it but me

Tomorrow morning I'll hit the dusty road
Gonna find you wherever, ever you might go
I'm gonna unload my heart
And hope you come back to me

[Said when the nights are lonely...]
The nights are lonely
[since you've been gone away]
The days are so sad
[and I've been missing you baby]
And I just keep thinkin' about
The love that we had
[I always thought you'd be right by my side]

And I'm missin' you
[yeah]
And nobody knows it but me
[Nobody knows it. No. Nobody but me.]

The nights are lonely
The days are so sad
And I just keep thinkin' about
The love that we had
And I'm missin' you
And nobody knows it but me
