

# Babyface, Nothin

Written by I.a. reid, babyface (1989)  
Performed by the jacksons

I'll give my all and all  
To you and no other woman  
Never will I let you down  
Never will I do wrong  
And I'll give my heart and soul  
And hope that you will never let me go  
Never had a woman so fine

And I give my love completely  
Will u love me in return  
And if it's in your heart then show me  
Then you'll never have to worry  
Cause I'll always be around, 'cause there ain't

Nothin  
And I do mean nothin  
Nothin that compares 2 u  
You're so fine that I'm scared of you  
Nothin  
And I do mean nothin  
Nothin that compares 2 u  
You're so fine that I'm scared of you

I'll give my everything

To you and have no other  
Ever since I fell in love  
Never have I been down  
You've been the only one  
Promise my one and only lover  
Never has my love been so sound

And if you give your heart completely  
I will never let you go  
And I will love you girl so sweetly  
You will never have to worry  
Cause I'll always be around, 'cause there ain't

Hook 2 times

Hey jackie - do you want her?  
Hey randy - do you love her?  
Jermaine - do you need her?  
Hey tito - you can't have her

And if I give my love completely  
Will u love me in return  
And if it's in your heart then show me  
You will never have to worry  
Cause I'll always be around
