

Babyface, Rock Wit'cha

Written by I.a. reid, babyface (1988)

Performed by bobby brown

Now that you are here with me
Baby, let's do it right
Lady, you know just what I need
I want to hold you oh so tight
Baby, just touch me anywhere
Cutie, you turn me on
I like to run my fingers through your hair
So come on and stay with me all night

I wanna rock wit'cha baby
All night long
I wanna roll wit'cha lady
Feelin' so strong
I wanna rock wit'cha baby
All night long
Rockin', rollin', rollin', rock
Makin' sweet lovin'
Don't ever stop

How 'bout a little music now
Let's hear some marvin gaye
Let me rub your shoulders down
Let's dance the night away
Feel your heart beating next to mine
Baby, I'll make you feel nice
I think I can tell what's on your mind
I know I can make it right

Baby, just touch bobby anywhere
Cutie, you turn me on

Hook

You and me, girl
Share a drink of wine
We'll be one on one
Lovin' through the night
And we're so lucky that we've
Found a love so right
'cause we were meant to love all through the night

Gimme your lovin'
Just gimme your lovin'
All through the night

I wanna rock, I wanna rock
I wanna rock, i-i wanna rock
I wanna rock, I wanna rock
I wanna rock, i-i wanna rock
I wanna rock, I wanna rock
Rock and roll and roll and rock
Makin' sweet lovin'
Don't 'cha ever stop

I wanna rock, I wanna rock
I wanna rock, i-i wanna rock
I wanna rock, I wanna rock
I wanna rock, i-i wanna rock
I wanna rock, I wanna rock
Rock and roll and roll and rock
Makin' sweet lovin'
Don't 'cha ever stop
