I was all alone  
I was feeling rather low  
I needed someone to lift my spirits up  
So i dropped it on a dance  
Just to take a glance  
And there this lovely thing was  
She was more than enough

I asked her for her hand  
Said would you like to dance  
So pleased that i had asked  
She quickly took my hand  
And we danced and fell in love  
On a slow jam

Play another slow jam  
This time make it sweet  
On a slow jam  
For my baby and for me  
Play another slow jam  
This time make it sweet  
On a slow jam

Seems what you say is true  
I feel the same way too  
I waited all night long  
Just to dance with you  
And when you touched my hand  
I knew you were the man  
To turn my world around  
And make my dreams come true

The magic in your eyes  
Made me realize  
That everything i feel  
Has got to be real  
And we danced and fell in love  
On a slow jam

I'm trying to find someone who  
I can give my good lovin' to  
Never ever did i dream i'd find someone, yeah

Now i've been trying to find someone too  
I prayed to heaven, and then i found you  
I swear i fell in love the night you danced into my heart

Play another slow jam  
This time make it sweet  
On a slow jam  
Can i get a slow jam  
Do you wanna slow jam, baby  
Play another slow jam  
This time make it sweet  
On a slow jam  
Can i get a slow jam  
Do you wanna slow jam  
Play another slow jam  
Are you gonna slow jam
