I was all alone
I was feeling rather low
I needed someone to lift my spirits up
So i dropped it on a dance
Just to take a glance
And there this lovely thing was
She was more than enough

I asked her for her hand
Said would you like to dance
So pleased that i had asked
She quickly took my hand
And we danced and fell in love
On a slow jam

Play another slow jam
This time make it sweet
On a slow jam
For my baby and for me
Play another slow jam
This time make it sweet
On a slow jam

Seems what you say is true
I feel the same way too
I waited all night long
Just to dance with you
And when you touched my hand
I knew you were the man
To turn my world around
And make my dreams come true

The magic in your eyes
Made me realize
That everything i feel
Has got to be real
And we danced and fell in love
On a slow jam

I'm trying to find someone who
I can give my good lovin' to
Never ever did i dream i'd find someone, yeah

Now i've been trying to find someone too
I prayed to heaven, and then i found you
I swear i fell in love the night you danced into my heart

Play another slow jam
This time make it sweet
On a slow jam
Can i get a slow jam
Do you wanna slow jam, baby
Play another slow jam
This time make it sweet
On a slow jam
Can i get a slow jam
Do you wanna slow jam
Play another slow jam
Are you gonna slow jam
