

Babyface, When Will I See You Again

When can my heart beat again?
When does the pain ever end?
When do the tears stop from running over?
When does you'll get over it begin?
I hear what you're sayin'
But I swear that it's not making sense
So when can I see you?
When can I see you again?
When can my heart beat again?
When can I see you again?
And when can I breathe once again?
And when can I see you again?
When does my someday begin?
When I'll find someone again?
And what if I still am not truly over?
What am I supposed to do then?
Please hear what I'm sayin'
Even if, if it's not making sense
So when can I see you?

When can I see you again?
When can my heart beat again?
When can I see you again?
And when can I breathe once again?
And when can I see you again?
Please hear what I'm sayin'
Even if, if it's not making sense
So when can I see you?
When can I see you again?
When can my heart beat again?
When can I see you again?
And when can I breathe once again?
And when can I see you again?
When can I see you again?
When can my heart beat again?
When can I see you again?
And when can I breathe once again?
And when can I see you again?
