Babyface, When Will I See You Again

When can my heart beat again? When does the pain ever end? When do the tears stop from running over? When does you'll get over it begin? I hear what you're sayin' But I swear that it's not making sense So when can I see you? When can I see you again? When can my heart beat again? When can I see you again? And when can I breathe once again? And when can I see you again? When does my someday begin? When I'll find someone again? And what if I still am not truly over? What am I supposed to do then? Please hear what I'm sayin' Even if, if it's not making sense So when can I see you?

When can I see you again? When can my heart beat again? When can I see you again? And when can I breathe once again? And when can I see you again? Please hear what I'm savin' Even if, if it's not making sense So when can I see you? When can I see you again? When can my heart beat again? When can I see you again? And when can I breathe once again? And when can I see you again? When can I see you again? When can my heart beat again? When can I see you again? And when can I breathe once again? And when can I see you again?
