

Babyface, You Are So Beautiful

You are so beautiful, yes
You are to me
You are so beautiful
You are to me
Can't you see? Can't you see?
You are everything I hoped for
And you are everything I need
And you are so beautiful to me

You are so wonderful
So wonderful to me
You are so wonderful, baby
Can't you see, can't you see, baby
You're everything I hoped for and
You're everything, yeah everything
God knows you're everything to me

You are so wonderful
You are so wonderful
So beautiful, so beautiful
You are so beautiful
To me
