Babyshambles, Fuck Forever

It's one and the same
It's one and the same, oh.
So what's the use between death and glory?
I can't tell between death and glory.
Happy endings, no they never bored me.
Happy endings, they still don't bore me.
They, they have a way
A way to make you pay.
And to make you tow the line.
Though I sever my ties.
Because I'm so clever,
But clever ain't wise.
And f**k forever,
If you don't mind.
Oh, f**k forever,
If you don't mind, I don't mind, I don't mind, I don't mind
So what's the tell between death and glory?
I can't tell between death and glory.
New Labour and Tory,
Purgatory and happy familys.
One and the same,
One and the same,
No, it's not the same.
It's not supposed to be the same.
You know about that way,
The way they'll make you pay,
And, the way, they make, you tow the line.
I'll sever my ties.
Oh I'm so clever,
You're so clever, but you're not very nice.
So f**k forever,
If you don't mind,
Oh, I'm stuck forever,
In your mind, your mind, your mind.
Go ahead and know about that way
To make you feel anxious and make you pay.
Annnnnnnd...
To make you tow the line, line.
I sever my ties,
Oh and I'll never,
Sever the ties,
And f**k forever,
If you don't mind,
See I'm stuck forever
I'm stuck in your mind, your mind, your mind, your mind.

They'll never play this on the radio,
No, They'll never play this on the radio.
Demo Version
How d'you choose between death and glory?
How d'you choose between death and glory?
Happy endings don't bore me
Happy endings, they never bored me
They, they have a way
They have a way to make you pay
And to make you toe the line
Sever the ties
Oh I'm so clever
But I'm not very wise
f**k forever
If you don't mind
I'm stuck forever
Stuck in your mind
How d'you choose between death and glory?

But I musta choose between death and glory?
Between Labour and Tory
Pergatory and happy families
Oh, we won't have a say
We won't have a say, no
We won't have a say
Won't have a say
Oh they'll have a way
They'll find a way to make you pay
And to make you toe the line
Sever the ties
Oh, you're so clever
But you're not very nice
So f**k forever
If you don't mind
f**k forever
If you don't mind
They, they'll find a way
Find a way to make you pay
And to make you toe the line
Sever the ties
I'm stuck forever
And that is your mind
f**k forever
I'm out of your mind
f**k forever
