

# Babyshambles, You Talk

You talk, you talk a good game  
I wish I could talk the same  
And a song is just a game  
I'm getting good at cheating  
That's how you talk  
Ah yes, you talk a good game  
Won't you teach me the same?  
I would love to explain  
I love to show your hand and all about  
Oh well, I know, I know, I know  
I know it's wrong and so and so  
So what, I suppose it's got to go out  
I never ever said it was clever  
I just like getting leathered  
Looking for the light  
Light behind your eyes  
Well, you talk, you talk a good game  
I wish I could talk the same  
And a song is just a game  
I'm getting good at cheating  
Utah, remember Utah in the rain  
And those little red shoes  
And some kid with the blues  
Who gets right on your tits  
You just grin and bear it  
Yeah, I know, I know, I know  
I know it's wrong and so and so and so  
And so it's got to go out  
I never ever said it was clever  
I just like getting leathered  
I'm looking for the light  
Light behind your eyes  
Bevan, he drops stones from heaven  
L O R D forever  
And the love, the love behind your eyes  
You talk, you talk a good game  
You talk, you talk a good game  
You talk, you talk a good game  
You talk, you talk a good game  
Well, I never ever said it was clever  
I just like getting leathered  
Looking for the light  
Behind your eyes  
Bevan, he drops stones from heaven  
L O R D forever  
And the love behind your eyes
