Parlez-vous Francais ? - English  
Wow... hello, you are looking good, maybe  
How was the island, the sun and the sea?  
Tell me all about it  
Oo... just too much, maria  
It was like a dream come true  
Go on, i want details  
Where did you stay?  
What did you do?  
Who did you meet?  
Oh, i don't know where to start  
Well, the most important thing first - any romance?  
All right then -

Laying down by the seaside  
One lazy afternoon  
In the sun (in the sun?)  
Having fun (having fun?)  
Watching him watching me

Was his body looking naughty  
I thought it was too soon  
Oh, but then (why? what then?)  
Oh, that man (oh, that man?)  
Stood before me as tall as a tree

He asked me  
Parlez-vous fran&ccedil;ais?  
If you do, we will be okay  
If not, it's all right  
'cause baby, tonight  
L'amour will teach you what to say

He asked me  
Voulez-vous dancer?  
If you do, we will be okay  
'cause lovers in france  
Begin with a dance  
L'amour will teach you what to say

Have you had a feeling  
You don't know who you are?  
Once you are glad (once you are glad)  
Once you are sad (once you're sad)  
That's what he did to me  
I'll show you eros, the way to paris  
I don't care if it's far  
I'll be bad (i'll be bad)  
I'll be mad (i'll be mad)  
I'll be crazy as paris can be

They'll ask me  
Parlez-vous fran&ccedil;ais?  
If you do, we will be okay  
If not, it's all right  
'cause baby, tonight  
L'amour will teach you what to say

They'll ask me  
Voulez-vous dancer?  
If you do, we will be okay  
'cause lovers in france

Begin with a dance  
L'amour will teach you what to say  
O!
