

Bachelor Girl, Gotta Let You Go

Ooh, ooh, ooh, ooh
I gotta let you go
Ooh, ooh, ooh, ooh
I gotta let you go
Ooh, ooh, ooh, ooh
I gotta let you go
Ooh, ooh, ooh, ooh
I gotta let you go
It's a sad day
But some good will come of it, I guess
And maybe it'll be for the best
As you walk away I know
I gotta let you go
It's not easy
Watching something you cherish fade
But it's the only choice that I can make
You wanna be somewhere else I know
I gotta let you go
Ooh, ooh, ooh, ooh
I gotta let you go
Ooh, ooh, ooh, ooh
I gotta let you go
It's okay
There's really nothing you can say
I don't hate you that it's gone this way
Somethings just ain't meant to be
And I gotta let you go
Ooh, ooh, ooh, ooh
I gotta let you go
Ooh, ooh, ooh, ooh
I gotta let you go

I still can't figure why
Joy can erase in the blink of an eye
You no longer need me
Just when I let you belong in my life
We had something
But whatever it was has gone
And I gotta let you go
So don't stay here
If you wanna move on
I gotta let you go
Ooh, ooh, ooh, ooh
(Yeah, yeah)
I gotta let you go
Ooh, ooh, ooh, ooh
(You and I won't know)
I gotta let you go
There's no reason
We should still be holding on
And I gotta let you go
So don't stay here
If our chances have gone
And I gotta let you go
Ooh, ooh, ooh, ooh
(Yeah, yeah)
I gotta let you go
Ooh, ooh, ooh, ooh
(Time has come, I know)
I gotta let you go
Yeah, I gotta let you go
