Takin' Care Of Business

Bachman- Turer Overdrive

(A Knights Tale)

You get up every morning

From your alarm clock's warning

Take the 8:15 into the city

There's a whistle up above

And people pushin', people shovin'

And the girls who try to look pretty

And if your train's on time

You can get to work by nine

And start your slaving job to get your pay

If you ever get annoyed

Look at me I'm self-employed

I love to work at nothing all day

And I'll be...

[Refrain]

Taking care of business every day

Taking care of business every way

I've been taking care of business, it's all mine

Taking care of business and working overtime

Work out!

If it were easy as fishin'

You could be a musician

If you could make sounds loud or mellow

Get a second-hand guitar

Chances are you'll go far

If you get in with the right bunch of fellows

People see you having fun

Just a-lying in the sun

Tell them that you like it this way

It's the work that we avoid

And we're all self-employed

We love to work at nothing all day

And we be...

[Refrain]

Take good care of my business

When I'm away, every day whoo!

[Repeat first 2 verses]

[Refrain]

Takin' care of business [4x]

[Refrain]

Takin' care of business [repeat, fade]
