

# Bachman-Turner Overdrive, Lookin' Out For #1

Every day is an endless train  
You got to ride it to the end of the line  
Be a troubleshooter, blow the bad luck away  
And you will make it to your station on time  
And you'll find out every trick in the book  
And that's there's only one way to get things done  
You'll find out the only way to the top is looking out for #1  
I mean you keep looking out for #1  
Every night is a different game  
We got to work for our fortune and fame  
Success is a ladder, take a step at a time  
And the people will remember your name  
Yes, I found out all the tricks of the trade  
And that's there's only one way you're gonna get things done  
I found out the only way to the top is looking out for #1  
And that's me, I'm looking out for #1  
Every day is an endless train  
But I ride it to the end of the line  
I'm a real troubleshooter and I blow it away  
No one's gonna get what's mine  
I found out every trick in the book  
And that's there's only one way to get things done  
I found out the only way to the top is looking out for #1  
I mean you keep looking out for #1  
That's us keep looking out for #1  
That's me, I'm looking out for #1
