

# Backfire!, Waiting For My Time

Waiting for my time  
Sick and tired of working hard  
Sick and tired if struggling  
Sick and tired ofslaving my days  
And i still don't have a fucking thing  
Feels like i'm stuck and i can't get ahead  
The things i want i just can't seem to get  
My dreams keep going down the fucking drain  
Sometimes this game of life drives me insane  
Waiting for my time...  
Sick and tired of working hard  
Sick and tired if struggling  
Sick and tired of all these disappointments  
That life keeps throwing at me  
Waiting for my time  
'till i will win this fucking fight  
'till i will be satisfied  
'till i can leave my troubles behind  
waiting for my time
