You Ain't Seen Nothing Yet

I met a catholic woman,

She took my heart away

She said I had it coming to me

But I wanted it that way

I think that any love is good lovin'

So I took what I could get

She looked at me with big brown eyes, and said

You ain't seen nothing yet

Baby you just ain't seen nothing yet

Here's something that your never going to forget

Baby you just ain't seen nothing yet

And now I'm feeling better

Cuz I found out for sure

She took me to her doctor

And he told me of a cure

He said that any love is good love

So I took what I could get

Yes I took what I could get

And then she looked at me with those big brown eyes and said

You ain't seen nothing yet

Baby you just ain't seen nothing yet

Here's something your never going to forget

Baby you just ain't seen nothing yet

Any love is good lovin

So I took what I could get

Yes I took what I could get

And then she looked at me with those big brown eyes and said

You ain't seen nothing yet

Baby you just ain't seen nothing yet

Here's something that your never going to forget

Baby you just ain't seen nothing yet.
