

Backseat Goodbye, All Alright

i'm sorry for waking you, love
it's just that i am scared
about tomorrow
tell me it will be alright

oh oh oh

i knew that's what you would say
you like seasons but hate the rain

oh oh oh

spring will be here in just a few days i hope i can make it
i give you sunsets

you run with me when the wind won't let up
and sometimes when you're sleeping

i lie and watch your dreaming come alive

while the shadows dance on our window pane

oh oh oh

i hope you don't hate me tomorrow for what i did today

i lost the light and begged for rain

oh oh oh won't you say "don't have a thing, for the sunlight, you're my sunshine, i love, and y
