

Backseat Goodbye, Reactions Over Resolutions

Are you sure that's what you want to say?
Think back, relax and get back to me
This is not your everyday reaction
More like a two-time, forgettable, satisfaction
Well, I've been thinking about it, planning in my head
The ways, the time, the days that just stick out
And I've come to the conclusion
That there is no resolution for your ways
Think this one's a keeper, save it for another day
It's about time you realize the truth
Circle takes the square and it all points back to you
Distant disaster and we all know the proof
What I know, you know, they know you're getting into
Well, I've been thinking about it, planning in my head
The ways, the time, the days that just stick out
And I've come to the conclusion
That there is no resolution for your ways
Think this one's a keeper, save it for another day, yeah
I hate to say but I told you so
I hate to say but I told you so
I told you so, I hate to say but I told you so, oh
We're gonna sing 'til it's over
We're gonna sing 'til it's over
We're gonna sing 'til it's over
It's not over, it's not over, it's not over
Until we say it is
We're gonna sing 'til it's over
We're gonna sing 'til it's over
We're gonna sing 'til it's over
