

# Backstreet Boys, 10.000 Promises

once we were lovers and lovers we were... oh... what a life  
once we were dreamers and dreamers we were... oh... you and I  
now I see you're just somebody who waste all my time and money  
what a life... you and I...

Chorus: what about your  
your 10,000 promises  
that you gave to me  
your 10,000 promises that you promised me

once I could handle the truth when the truth was... you and I...  
time after time all the promises turned out to be a lie  
now I see I'm just somebody who wasted my time and money... what a life..  
you and I...

Chorus

you said I'll take you back  
but I closed the door  
'cause I don't want...  
10,000 more...

10,000 promises yeah... 10,000 promises that you gave to me...

Chorus

your 10.000 promises... that you gave to me... your 10,000 promises...  
once we were lovers just lovers we were... oh... you and I... what a life...
