

# Backstreet Boys, Backstreet Boys - How Did I Fall

Remember when we never needed each other  
The best of friends like sister and brother  
We understood, we'd never be alone  
Those days are gone, now I want you so much  
The night is long and I need your touch  
Don't know what to say, I never meant to feel this way  
Don't wanna be alone tonight  
What can I do to make you mine?  
Falling so hard, so fast this time  
What did I say, what did you do?  
How did I fall in love with you?  
I hear your voice and I start to tremble  
Brings back the child that I resemble  
I cannot pretend that we can still be friends  
Don't wanna be alone tonight  
What can I do to make you mine?  
Falling so hard, so fast this time  
What did I say, what did you do?  
How did I fall in love with you?  
Oh, I wanna say this right  
And it has to be tonight  
Just need you to know  
I don't wanna live this life  
I don't wanna say goodbye  
With you I wanna spend  
The rest of my life  
What can I do to make you mine?  
Falling so hard, so fast this time  
What did I say, what did you do?  
How did I fall in love with you?  
What can I do to make you mine?  
Falling so hard, so fast this time  
Every thing's changed, we never knew  
How did I fall in love with you?
