Can't Stop Thinking About You

You're in my mind all the time,

My thoughts are always of you

There are so many things that we promised

Each other that we would do

But since you went away,

My heart has been in so much pain

It seems that everything we've been through has been in vain

And I can't stop thinking of you,

And I wouldn't if I could

But I can't keep waking up with dreams of you

And you should have known

When you told me you loved me that you were deceiving

I have faith that the hurt that I feel

Deep inside will soon be leaving

But now I'm all alone,

And I can't stop thinking of you

To hold you in my arms once again is all I wanna do

And I can't stop thinking of you,

And I wouldn't if I could

But I can't keep waking up with dreams of you
