

# Backstreet Boys, Every Time I Close My Eye

Backstreet Boys  
S/t (nl) Plus Dance Mixes  
Every Time I Close My Eye  
Everytime i,  
Close my eyes  
(2x)

Listen girl,  
I don't know where to start  
But every word i say,  
Is straight from the heart  
I've been so wrong  
Never meant to hurt you  
Oh girl, i'm sorry  
Of what i put you through

Girl i'd do anything for one more chance  
(one more chance)  
I want you back again  
(want you back again)

Chorus:  
'cuz everytime i close my eyes  
I see your face  
And i wonder  
When you close your eyes  
Do you think about me  
Now that i realize,  
I want you girl, and no other  
Everytime i close my eyes,  
You're all that i see

You and i shared it all together  
Each other, with all we'd ever need (all we ever need)  
I thought that you would stay,  
With me forever  
But it took for granted  
The love you gave to me  
I keep on trying, keep on trying  
'til the end, 'til the end  
Baby i need you right here with me  
I need you here

Chorus

Girl i'm going out of my mind  
I miss you so much,  
I don't know what to do (what to do)  
Please stay  
It's just a matter of time  
'til i feel your touch  
'til you let me come back to you

Think about you girl,  
Every day and night i'm in love  
And it feels so right, i'd never meant to hurt you  
Or caused you pain  
I was just callin' up  
In that lying game  
But now those days are over  
I've changed our ways  
And now i'm counting the minute,  
I'm counting the days  
'til you let me come back

Till you let me start  
To find a new way  
To get back into your heart

Girl i'd do anything for one more chance (one more chance)  
'cuz i want you, i want you back again

Chorus
