Hey Dj Keep Playing This Song

Hey Mr DJ (Keep Playin' This Song) Oh Backstreets, one time, here we go I could tell when I stepped

And I saw you standing there

By the way that your body moved

I couldn't help the way I stared

There was some mysterious force

Leading me here to you So I stood there watching

And I was hypnotized

By the rythum of you body

And the music in your eyes

and I was lost inside your world with you Chorus

Hey Mr. DJ keep playin' this song for me

Out on the floor in my arms She's gotta be

Let's get it on

Jam all night long

Mr. DJ Mr. DJ please play it for me Now it feels like it could be romance

As we dance across the floor

Every move that your body makes

Only makes me want you more

And it seems like time's movin' fast

How can we make it last

(Make it last now) Make it last somehow As we keep on dancing

I am hypnotized

By the rhythm of your body

And the music in you eyes

I was lost inside your world with you Chorus Close your eyes (close your eyes)

And imagine (just imagine) the sound

Let the music (let the music) Put you in a zone

I get lost Lost inside a groove

When you do the things you do

Come on and work you body, Work your body Hey! Mr DJ, Jam all night long

Hey! Mr DJ, Play that song for me

Hey! Mr DJ, Jam all night long

Hey! Mr DJ, Play that song for me Chorus Keep it comming Mr. DJ

Repeat to fade
