

Backstreet Boys, i'll be the one

backstreet boys

Miscellaneous

i'll be the one

I guess you were lost when i met you

Still there were tears in your eyes

So out of trust and i knew

no more than mysteries and lies

There you were, wild and free

Reaching out like you needed me,

A helping hand to make it right

I am holding you all through the night

Chorus

I'll be the one, i'll be the one

Who will make all your sorrows undone

I'll be the light, i'll be the light

When you feel like there's nowhere to run

I'll be the one

To hold you and make sure that you'll be alright

'Cause my faith is gone

And i want to take you from darkness to light

There you were, wild and free

Reaching out like you need me

A helping hand to make it right

I am holding you all through the night

Repeat chorus

You need me like i need you

We can share our dreams coming true

I can show you what true love means

Just take my hand baby please

I'll be the one

I'll be the light

Where you can run

To make it alright

I'll be the one

I'll be the light

Where you can run

Repeat chorus

I'll be the one

I'll be the light

Where you can run

To make it alright

I'll be the one

I'll be the light

Where you can ran

To make it alright

I'll be the one

To hold you

And make sure that you'll be alright

I'll be the one
