Let The Music Heal Your Soul

Touche': Oh if someone writes a song

With a simple rhyme

Justin (*N Sync): Just a song where his feelings show

Scott (The Moffatts): And if someone feels the same about that simple song

Gil: Oh sometimes you can hear them say

Squeezer: Music brings you happiness or sadness

Nick: But it also, it also heals your soul

All: Let the music heal your soul

Let the music take control

Let the music give you the power to move any mountain

Touche': Oh if someone plays piano

Scott (The Moffatts): With some simple chords

Aaron Carter: So melodic and endearing too
