

# Backstreet Boys, Like A Child

Backstreet Boys  
Backstreet's Back  
Like A Child

If I could right the wrongs that made you cry  
Girl, would you promise not to say goodbye, oh  
Cuz I'm holding on  
With a love so strong  
And I can't take the day without you by my side

Girl if I could change  
If I could change your mind  
Maybe you could help me wipe these tears from my eyes

Girl don't stop (don't stop)  
The sun from shining down on me (ooh shining down on me, yeah)  
Cuz I can't face another day without your smile (your smile)  
And if you take away the loving arms that surround me  
Then I might break down and cry just like a child

Girl I can't belong and I won't be free  
If I fail to bring your lovin' back to me (oh back to me)  
So I'm pressin' on  
I hope you understand  
That there's a broken heart that lies within your hands

So if I can change (so if I can change)  
And it won't hurt your pride (it won't your pride)  
Baby you can help stop these tears from my cries

Girl don't stop  
The sun from shining down on me (shining down on me)  
Cuz I can't face another day without your smile (your pretty smile, your pretty smile)  
And if you take away the loving arms that surround me  
Then I might break down and cry just like a child

Like a child  
Just like a child  
With the spirits running free  
She trapped me wild  
Oh she did  
Like a child (oh baby)  
Just like a child Think of what our love could be  
If our hearts could set us free  
Like a child, yeah

[Chorus 'til fade]
