

# Backstreet Boys, No One Else Comes Close

When we turn out the lights  
The two of us, alone together  
Somethin' just not right  
But, girl, you know that I would never ever let  
Another's touch, come between the two of us  
'Cause no one else will ever take your place  
No one else comes close to you  
No one makes me feel the way you do  
You're so special girl to me  
And you'll always be, eternally  
Everytime I hold, you near  
Always say the words, I love to hear  
Girl, with just a touch, you can do so much  
No one else comes close  
No one else comes close  
No one else comes close  
And when I wake up to  
The touch of your head on my shoulder  
You're my dream come true, ohh yea  
Girl, you know I'll always treasure  
Every kiss, and every day, I love you girl, in every way  
And I always will 'cause in my eyes

Ohh baby  
No one else comes close to you  
No one makes me feel the way you do  
You're so special girl to me  
And you'll always be, eternally  
Everytime I hold, you near  
Always say the words, I love to hear  
Girl, with just a touch you can do so much  
Girl, can't you see that  
No one else comes close to you  
No one makes me feel the way you do  
You're so special girl to me  
And you'll always be, eternally, babe  
Everytime I hold you near  
Always say the words, I love to hear  
Girl, with just a touch, you can do so much  
No one else comes close  
No, no one else comes close  
Ohh girl  
No one else comes close  
Damn I love you
