Open Arms
Feeling your heartbeat with mine

Softly you whisper
You're so sincere
How could our love be so blind?

We sailed on together
We drifted apart
And here you are by my side

So now I come to you
With open arms
Nothing to hide
Believe what I say
So here I am
With open arms
Hoping you'll see
What your love means to me
Open arms

Living without you
Living alone
This empty house seems so cold

Wanting to hold you
Wanting you near
How much I wanted you home

But now that you've come back
Turned night into day
I need you to stay

So now I come to you
With open arms
Nothing to hide
Believe what I say
So here I am
With open arms
Hoping you'll see
What your love means to me
Open arms
