

# Backstreet Boys, Rush Over Me

Washed away my sad face  
You flooded all my empty space  
You take away life's heartbreak  
And I know with you it's going to be okay  
You're rushin' through me  
Like water from heaven  
I feel you movin' through me  
Like sand in the sea  
And now I feel so alive  
I know that there must be something here  
(So alive)  
'Cause you're all the air in my atmosphere  
Finally I feel complete  
You are rushed over me, yeah  
There's no more blindness  
When I cry, I'm smilin'  
You kept me from dyin'  
And I know with you I'll keep on livin'  
You're rushin' through me  
Like water from heaven  
I feel you movin' through me  
Like sand in the sea  
And now I feel so alive  
I know that there must be something here  
(So alive)  
'Cause you're all the air in my atmosphere  
Finally I feel complete  
'Cause you are rushed over me

It's not enough just holding on  
Before I met you I was lost  
Now that you're standing here  
I don't want you to go  
I know, that your love keeps me alive  
You're rushin' through me  
Like water from heaven  
I feel you movin' through me  
Like sand in the sea  
And now I feel so alive  
I know that there must be something here  
(So alive)  
'Cause you're all the air in my atmosphere  
Finally I feel complete  
(I feel)  
You are rushed over me  
You're rushin' through me  
Like water from heaven  
I feel you movin' through me  
Like sand in the sea  
And now I feel so alive  
I know that there must be something here  
(So alive)  
'Cause you're all the air in my atmosphere  
Finally I feel complete  
You are rushed over me
