

Backstreet Boys, Show Me The Meaning

Show me the meaning of being lonely

Verse 1

So many words for the broken heart,
its hard to see in a crimson love,
so hard to breath,
walk with me and maybe
nights of light so soon become
wild and free I can feel the sun
your every wish will be done they tell me

Chorus

Show me the meaning of being lonely
is this the feeling I need to walk with
tell me why I can't be there where you are
there's somethin' missin' in my heart

Verse 2

Life goes on as it never ends
eyes of stone observe the trends
they never say forever gaze, if only
guilty roads to an endless love
there's no control are you with me now
your every wish will be done they tell me

Show me the meaning of being lonely
is this the feeling I need to walk with
tell me why I can't be there where you are
there's somethin' missin' in my heart

there's nowhere to run i have no place to go Surrender
my heart' body and soul how can it be you're asking me
to feel the things you never show
you are missing in my heart
tell me why i can't be there where you are

Show me the meaning of being lonely
is this the feeling I need to walk with
tell me why I can't be there where you are
there's somethin' missin' in my heart

Verse3

there's no way to run I have no place to go
surrender my heart
body and soul
how could it be you're askin me to feel things you never show
