

Backstreet Boys, Spanish Eyes

Here we are in the arms of one another
And we still go on searchin' for each other
Knowing that hate is wrong and love is right
For us tonight
When I look into your Spanish eyes
I know the reason why I am alive
And the world is so beautiful tonight
It's a place I've never been
And it comes from deep within
And it's telling me that I'm about to win first prize
Knowing all I have to do
Is reach out my hand to you
Anytime I want to look into your Spanish eyes
Let it be if we're nothin' more than dreamers
(Let it be)
Who believe that we see no wall between us
(Who believe)
How can they be in my heart and in my mind?
(In my heart)
(In my mind)
When all I could find
When I look into your Spanish eyes
I know the reason why I am alive
And the world is so beautiful tonight

It's a place I've never been
And it comes from deep within
And it's telling me that I'm about to win first prize
Knowing all I have to do
Is reach out my hand to you
Anytime I want to look into your Spanish eyes
I loved you from a distance
Thought I couldn't reach that far
I can't believe how close that we are
(Believe how close we are)
(Ooo, ooo)
When I look into your Spanish eyes
And the world is so beautiful tonight
It's a place I've never been
And it comes from deep within
And it's telling me that I'm about to win first prize
Knowing all I have to do
Is reach out my hand to you
Anytime I want to look into your Spanish eyes
(Spanish eyes)
Ohh, yea
