

Backstreet Boys, The Call

"Hello?"
"Hi, it's me what's up baby? I'm sorry, listen
I'm gonna be late tonight, so don't stay up and wait for me okay?"
"Where are you?"
"Wait, wait say that again?"
"Hello?"
"Your voice is droppin' out, I think my battery must be low
Listen, if you can hear me, we're goin to a place nearby, alright?
Gotta go"
Let me tell you the story about the call that changed my destiny
Me and my boys went out, just to end up in misery
Was about to go home and there she was standing in front of me
I said, "Hi, I got a little place nearby I wanna go"
I should have said no, someone's waiting for me
But I'm gonna go up and see
Listen baby, I'm sorry, just wanna tell you don't worry
I will be late, don't stay up and wait for me
I'll say again you're dropping out, my battery is low
So you know, we're goin' to a place nearby, gotta go
Now till it's done nothing's been won
I can't take it back what's done is done
But one of her friends found out that she wasn't my only one
And it eats me from inside, that she's not by my side
Just because I made that call and lied

Listen baby, I'm sorry, just wanna tell you don't worry
I will be late, don't stay up and wait for me
I'll say again you're dropping out, my battery is low
So you know, we're goin' to a place nearby, gotta go
Listen, baby, baby I'm sorry
"Hello?"
Listen, baby, baby I'm sorry
"Hello?"
Gotta go
Let me tell you the story about the call that changed my destiny
Me and my boys went out, just to end up in misery
Was about to go home when there she was standing in front of me
I said, "Hi, I got a little place nearby", gotta go
Listen baby, I'm sorry, just wanna tell you don't worry
I will be late, don't stay up and wait for me
I'll say again you're dropping out, my battery is low
So you know, we're goin' to a place nearby, gotta go
Listen baby, I'm sorry, just wanna tell you don't worry
I will be late, don't stay up and wait for me
I'll say again you're dropping out, my battery is low
So you know, we're goin' to a place nearby, gotta go
We're goin' to a place nearby, gotta go
