

# Backstreet Boys, The One

I'll be the one

Girl

I guess you were lost, when I met you

Still there were tears in your eyes

So out of trust and I knew

No more than mysteries and lies

There you were, wild and free

Reachin' out like you needed me

A helping hand to make it right

I am holding you all through the night

I'll be the one, I'll be the one

Who will make all your sorrows undone

I'll be the light, I'll be the light

When you feel like there's nowhere to run

I'll be the one

To hold you

And make sure that you'll be alright

'Cause my faith is gone

And I want to take you from darkness to light

There you were, wild and free

Reachin' out like you needed me

A helping hand to make it right

I am holding you all through the night

And I'll be the one, I'll be the one

Who will make all your sorrows undone

I'll be the light, I'll be the light

When you feel like there's nowhere to run

I'll be the one to hold you

And make sure that you'll be alright

You need me, like I need you

We can share our dreams comin' true

I can show you what true love means

Just take my hand, baby, please

I'll be the one, I'll be the light

Where you can run to make it all right

I'll be the one, I'll be the light

Where you can run

I'll be the one, I'll be the one

Who will make all your sorrows undone

I'll be the light, I'll be the light

When you feel like there's no where to run

I'll be the one

I'll be the one, I'll be the light

Where you can run to make it all right

I'll be the one, I'll be the light

Where you can run to make it all right

I'll be the one to hold you and make sure that you'll be all right

I'll be the one
