

# Backstreet Boys, The One (Live)

I'll be the one, oh, yeah  
Oh, c'mon, c'mon, ooh  
I guess you were lost when I met you  
Still there were tears in your eyes  
So out of trust and I knew  
No more than mysteries and lies  
There you are wild and free  
Reachin' out like you needed me  
A helping hand to make it right  
I am holding you all through the night  
I'll be the one, I'll be the one  
Who will make all your sorrows undone  
I'll be the light, I'll be the light  
When you feel like there's nowhere to run  
I'll be the one  
To hold you and make sure that you'll be alright  
'Cuz my fear is gone  
And I want to take you from darkness to light, yeah  
There you are wild and free  
Reachin' out like you needed me  
A helping hand to make it right  
I am holding you all through the night  
I'll be the one, I'll be the one  
Who will make all your sorrows undone  
I'll be the light, I'll be the light  
When you feel like there's nowhere to run  
I'll be the one  
To hold you and make sure that you'll be alright, yeah  
You need me, I need you  
We can share our dreams comin' true  
I can show you what true love means  
Just take my hand, baby, please  
I'll be the one, I'll be the light  
Where you can run to make it alright  
I'll be the one, I'll be the light  
Where you can run  
I'll be the one, I'll be the one  
Who will make all your sorrows undone  
I'll be the light, I'll be the light  
When you feel like there's no where to run  
I'll be the one  
I'll be the one, I'll be the light  
Where you can run to make it alright  
I'll be the one, I'll be the light  
Where you can run to make it alright  
I'll be the one  
To hold you and make sure that you'll be alright  
I'll be the one, yeah
